IT SHOULD STOP.

Prominent Clergymen Condemn the Present Way of Running Chinese Sunday Schools.

Young Girls are Not the Proper Teachers for Heathen.

Men Should Be Employed to Teach Them in Classes.

If the Schools Survive This Change They Are Worthy of Life; If Not, Let Them Die.

The publication in THE LYENING WORLD of heathenish immerality. yesterday of a list of Chinese Sunday-schools in this city and Brooklyn and the description of the method by which the pupils are it indignation of conservative church memto convert the heathen.

It is remariable that while almost every clergyman in the land takes an active ; art in sending missionaries to China and other heathen countries, only a few lend their names or sanction to the system governing the majority of Chinese Sunday-schools of

unfaterested in the conversion of heathen who are abiding in the United States, and it must be concluded that they do not indor-e sire to shun unpleasant con'roversy. The apholders of the existing vogue have fre- following tem to appear as a bunday quently displayed a tendency to fight for a a . ity church? continua ace of the system of their invention, even at the cost of church disruption.

Among the ministers willing to take up the atlet in defense of the young girls who of the leason to him alone." have been induced through high motives to beathen, is Rev. Dr. Valentine A. Lewis, of 1091 Bushwick avenue, Brooklyn, who is actively engaged in mission work. He is well men's regard for the unsuspecting girls with whom they are thrown in such intimate rela-

Rev. Dr. Lewis was formerly a Chaplain in the United States Army. He afterwards took charge of a church in California and for several years was one of the foremost men in Since returning to New York he has endeavored to have the class method of teaching de-Chinese Sunday-schools, but has met with op- | the Chinese could be improved. position that at different times has taken the form of bitter controversy.

THE mong them, that it is not wise to make the difference that we have made between them and other races in the methods of teaching. For teachers we should employ only men and mature women, and even in the case of the latter there should be no one-man business. Harrison Will Send Reid to Try The Iron League Claims a Victory no interchange of costly gifts and no calling of them boys; but instead a manly, straight forward effort to Christianize those that are ere among us and induce them as soon as possible to return as messengers of good

idings to their own race and country.
"It is a divine work to redeem a nation. It s worth almost any price. You may demand almost everything, but not the needless sacrifice of our daughters, the bright and beau tiful girlbood of this divinely crowned nation. They must not be sacrificed to the whim of a heathen mind, or exposed to the possibility of contamination from those who have shown themselves unworthy of the God gitt of wo

"Ask any sacrifice and I may say that will be made for the redemption of a nation But you must not take the fair daughters of this land as the sacrificial victims by exporng them to the possibility of evil by clou-relations with those who are not impocent boys, but shrewd men, deep in the knowledge

"The work should not be considered as sentiment, but with the thought of men, who are tionment annaling the very life and prosperity of the trusted, has had the effect of rekinding the pation. If after even a score of years the is summention wasted. Chinese will still bring their slave ideas and pers who do not believe in taking the risks e. il practices here; still make the soil of in fillbustering methods and frittering away lavelved in the common processes of trying America a slave market to sell women and California; still continue to ruin labor, then shut the door, so fast that not another Chinamen high or low can enter in

"I am not alone in the belief that the present method of teaching Chinamen is danger ous. Here is a letter from the Rev. Dr. Jay Entsconel Church, Clermont street, near pinion of the system.

The letter follows: One onn's of experience is worth a ton of theory When I was pastor of the Cornell Memorial Methodist Episcopal Church to New York a few year ago I was colleited to organize a Chinese Sunday shool as a brauch of our church school, I was favorably impressed with the proposition. I conferred with the church officiary and received reincient consent. They had tried the experiment once before, and it had not been successful. We provided a large, beautiful room, as elegantly fur-nished as the majority of the parlors. We room had a school of about twenty pupils. We only insisted upon one condition. Male teachers only

chinese. It is bolieved that the reason tree of giving to each pupil the whole time and church people do not openly condemn the attention of a female teacher it is only necessary Chinese Sunday-schools is because they de- to suggest its application to any other man but a

venting, if possible, the introduction of cholera into Austria, the Government has issued

the Tanglers Revolution. TANGIERS, Aug. 4.—The camp of the im-

perial troops at Megoga is daily receiving re-

Vienna, Aug. 4.—In an interview had by the representatives of the Associated Press at the observatory on the Turkenschanze, in Vienna, with Assistant Astronomer Hildebrand, the latter said that careful observations of the planet Mars were made from the turkens of July 30 to the common the capitalistic press? tions of the planet Mars were made from the nights of July 30 to that of Aug. 2, inclusive, by Herr Palisa, the Chief Assistant As:ronomer, and himself. Owing to the proximity of the planet to the southern norizon, however, the result of the observations was unsatisfactory.

The progress of the planet was watched for an hour. At a point fifty-two degrees above the horizon, snow fields could te seen distinctive, extending thirty degrees from the south pole. Immediately underneath this south pole. Immediately underneath this

"The snow cap is now small. The western limb from the snow cap northward seems to be more highly illumina of than the eastern. The light of the western limb appeared to be nearly white, but not so white as that reflected by the snow cap. In the southern nemisphere there was quite a distinct greenish gray streak about forty degrees from the pule."

Garza's Capture Expected. IPY ASSOCIATED PRESS.!
RIO GRANDE CITY, Tex., Aug. 4.—If the

plans of United States Marshal Paul Fricke and his large posse of deputies do not fail, Catarino Garza, the notorious Mexican revo catarino carza, the hotorious Mexican revo-iutionary leader, will be in the hands of the law within the next two days. Garza is be-lieved to be corralled on the ranch of Cecilio salinas, a revolutionist now out on bond, northwest of here.

The Mollick - Goldman - Timmerman Crew Are Moving.

Where They Are Going. The red flag was at balf mast in the Mellick-Goldman-Zimmerman Anarchistic nest at 340 Fifth street this morning. To-morrow the most radical of rabid Anarchists must

Queen Emma Angelly Refuses to Tell

obey the mandates of a law they hate more than the fate of sinful man. Michaels & Sons, agents of the tenement, 340 Fifth street, have issued an edict that Emma Goldman and her subjects must put

up stakes and get out. This morning the entire colony was esgaged in pulling up the stakes. The Anarchistic camp was on the rear of he ground floor. It was dirty. So were the inmates. But never since Rip Van Winte rubbed the moss off his eyes and brushed side a foot or so of mother earth that he secumulated on his face and hands during hi long sleep has there been so much terra firms on any one person as seemed to surround Mrs. Mollick as she opened the door of the apartment this morning and said "Git out"

rushed through the door with the words. When at length the dust and Mrs. Mollick's wrath subsided the cause of the disturbance could be seen. It was this—the Anarchists were breaking up house-keeping. A rag carpet, a bedstead a table, a stove, a craile, a baby carriage and a baby were piled up together. and from out the mass came mingled infant's screams, the

A cloud of dust like a Sahara sandstorm

mulated dust of months. Back of it all was the voice of Emma Goldman reviling law. order and work. "I have nothing to say," she screamed, as she threw a pile of Anarchistic literature la the baby carriage.
"Moving, are you?" the reporter asked.

"Well, d'ye think we're doin' this for exectise?" was the answer, as Emma wiped the

COWBOYS THREATEN TO KILL

A Bloody Fight Probable Between

Them and Kansas Farmers. WICHITA, Kan., Aug. 4.—A cattle man box Arkansas City says trouble is expected there etween cowboys and farmers. Receiver Haten, in charge of the Presidio County (Tex.) Ranch, is shipping several train loads of stres a day to Chicago from Arkansas City. Last night a large number of these cattle broks away and spread over the Kansas corn fields. Some forty farmers of the vicinity armed themselves and notified the cowboys that every animal found trespassing on the premises would be shot. The cattlemen a return promised that for every animal kines a Kanass farmer would bite the dust. The farmers are said to be patrolling the border.

U. P. Telegraphers to Strike.

DENVER, Col., Aug. 4-It is rumored that there is to be a strike of the Order of Railway Telegraphers on the Union Pacific ross Grand Chief Telegrapher Ramsay is at Omals in conference with Assistant General Manager Dickinson, who refuses to concede the revised sciedulo of wages presented by In-Ramsay for the men.
